MEMORANDUM FOR THE RECORD

SUBJECT: Briefing for Congressman Dale Milford (D) Texas

1. At the request of the Office of the Legislative Council I met with Congressman Milford on the afternoon of 24 February to clarify for him some questions about intelligence collection systems stemming from his recent trip to Korea.

We also discussed the indications and warning problem, noting that efforts were underway to improve and expand our data bases on North Korea to increase the chances of recognizing indicators prior to a North Korean attack.

4. The Congressman observed that General Hollingsworth was from his District and praised his unique qualities. I observed that the General was indeed a colorful personality and that he had done a great deal to upgrade ROK capabilities and improve South Korean morale.
